Thank you for your interest in our wedding facilities at Spring Hill. Our friendly and courteous staff will be happy to assist you in planning your special day.

Facility/Capacity

Our Ballroom is spacious enough for up to 200 guests, and features a large hardwood dance floor, 30' high cathedral ceilings, breathtaking views, and a private walk-out deck. Our Ballroom can be rented day or evening.

For more intimate receptions, we offer our dining room with a seating capacity of 60. This room includes a fireplace and has all the amenities of the Ballroom, complete with a private walk-out deck, in a cozier setting. Since this room is also our restaurant, it can only be rented in the morning or afternoon.

Smaller weddings will enjoy the exclusive panoramic views and privacy of our Sunroom (capacity 40 persons). Our Sunroom has private access to our deck, and an optional dance floor. Our Sunroom can be customized and configured in a variety of ways to suit your needs and guests.

Outdoor receptions can have an unlimited number of guests.
